

The Christian Soccer Association of Lee County is proud to announce the addition of a new adult soccer program for men ages 18-40. This program, as part of the CSA, will still be a rec. league and will still uphold the high moral standards found in the younger age divisions.

The first season for this division will coincide with the regular spring season, meaning that games will start on March 6 and run through May 15. Just like in the younger divisions, all games will be played at the Sherman Soccer Complex, and all teams will be a part of the CSA. Games will be scheduled for every Saturday afternoon after the younger divisions are finished playing and will include thirty minutes of practice before each game. T-shirts will be provided for each team, and trophies will be given to the team with the best record at the end of the season.

The registration fee is \$80 for each individual. This fee includes insurance coverage, field rental, referee wages, concession stand workers wages, and trophies. There is an additional non-resident fee of \$25.00 for all players that do not reside in the Gateway Community. This is a once per year fee AND is paid only once per household. So, if you have already paid for 2010 through registration for the CSA youth league you will not be required to pay this fee again for the adult league.

Registration forms are available online at [www.csasoccer.net](http://www.csasoccer.net).

If you have any questions, please contact us at 239-332-5940 or e-mail us at [fred@csasoccer.net](mailto:fred@csasoccer.net). Sponsorships are also available for those who would like to be able to support the league financially.

Also, if you are looking to earn some extra cash, you may be interested in becoming a referee. Side-line referees must be at least 16 years of age, and center referees must be at least 18 years of age. If you would like to be a referee, please contact Jonathan Owen at [jonathan@csasoccer.net](mailto:jonathan@csasoccer.net) for what you need to do next.

We are very excited about this new addition and want to tell as many people as we can. You can help us by telling all of your friends and family members who might be interested.

Can't wait to see you out there!
